Grievances and Appeals

GEM College of International Business is committed to ongoing improvements that will enhance the service that is provided to you, the client. Should you have any grievance with the way in which GEM College has conducted business with you, we will be pleased to listen to what you have to say. By doing so, hopefully, we will improve our service which, will in turn, benefit everyone accessing training through us.

In the first instance, any grievance should be discussed with the relevant Administrative person, Tutor or Facilitator. If they cannot resolve the problem to your satisfaction, it will then be referred to the Campus Manager. If the Campus Manager was your first point of contact or if the issue is still not resolved to your satisfaction, then the National Manager shall endeavour to resolve the matter. If the National Manager does not resolve the matter to your satisfaction, the Director-International Business or the Corporate Leader will be pleased to make an appointment and listen to your grievance. Further detail regarding our grievance and appeals policy is contained in our "Customer Service Charter and Grievance Policy" which is located at <https://www.gemcollege.edu.au/student-policies/>

If you do not agree with the result given for an assessment task, you may appeal the assessment decision. You should first discuss the assessment result with your Tutor or Facilitator. If you are not satisfied with the outcome of that discussion, you can access the appeal process through the Campus Manager. More information on Learner's rights and responsibilities can be found at <https://www.gemcollege.edu.au/student-policies/>

GEM College of International Business hereby gives an assurance that no discrimination shall be made against an individual or organisation lodging a grievance. We view all criticism and suggested improvements as ways that will allow us to improve our service to you.

Assessment

There are assessment tasks for every Performance Criteria built into every Unit of Competency. You will not be assessed until you indicate that you are prepared for assessment. Your Tutor or Facilitator will give you at least one-week notice of any assessment being organised by the Assessor. You will be required to have submitted your portfolio of evidence prior to the actual assessment date, or to bring it with you to the assessment. If face to face assessment is being undertaken you must attend. If you are sick, a phone call is required to advise of your absence. Otherwise, a doctor's certificate will be necessary for an alternative date to be set for the assessment. For more information on assessment, refer to your 'Course Information Guide' for this Unit, and/or for additional information, which is available on the GEM website.

Location

If you do not have a workplace that is suitable for you to demonstrate your competence on the job, GEM College of International Business may be able to provide customised, flexible or on-the-job options for this course. Contact your Tutor or Facilitator for further information to discuss your needs.

Reasonable adjustment

If you have a permanent or temporary condition that may prevent you successfully completing the assessment task(s) you should immediately discuss this with your Tutor or Facilitator, about a 'reasonable adjustment'. This is the adjustment of the way in which you are to be assessed to take into account your condition. This may include providing additional time, or a support person. While assessment tasks may be changed to suit your condition, the actual performance criteria cannot be altered.

Recognition of Prior Learning and Current Competency

GEM College of International Business recognises skills gained through previous studies, the workplace and life experience which may allow you to complete your qualification more quickly than the nominated minimal hours.

You may be entitled to recognition that will exempt you from one or more Units of Competency. Where you can provide evidence of competency in all Units in a given qualification, you will be required to complete a major project, to demonstrate your ability to provide current application of those competencies across a range of sectors, or with regards to a range of contingencies.

If you are granted RPL the target unit will be reported on your Academic Transcript advanced standing. No gradings are provided for Units granted under RPL arrangements.

You must enrol in all Units of Competency and apply for an exemption by completing a form. Attendance at class, or Online is necessary until any relevant exemption is granted.
